

Eye Music Trust presents

## Colourscape Music Festival Tour 2017 Symphony of the Senses 2

Following the huge success of our 2015/16 country-wide tour the Arts Council has funded Eye Music Trust to tour new events in Liverpool, Wakefield, Devon, Rotherham, Stroud, Birmingham and London.

**Symphony of the Senses 2** takes place in Colourscape in Buckfastleigh, Devon; Liverpool and Wakefield. Music, colour, dance and fragrances become woven into a Symphony of all the Senses leading the public on a magical journey throughout the labyrinth of Colourscape.

Musicians: Michael Ormiston (voice); Simon Desorgher (bass flute); David Stevens and Lawrence Casserley (computers and sensors); Tanya Richam-Odoi and Francisca Picon (movement artists)

**Fabulous Sound Machines** takes place at Stroud Subscription Rooms and continues the theme of colour, music and sensors. Now you, the public, are the performers!

**Rotherham Symphony of Fire and Metal** creates a new event at Forge Island on the River Don in Rotherham. Waterfalls of fire, metal instruments, moving underwater pyro-fish - all woven into a sensational live event on river.

# Symphony of Senses 2 - Diary
